### Staff-Student Partnerships

Collaborating with students as partners in the design and delivery of support initiatives has greatly enhanced student engagement with wellbeing activities

#### **EVENTS**

Student-led orientation and transition events, University Mental Health Day, R U Ok day

#### **STUDENT TRAINING**

School-funded accredited mental health first aid training, mentoring training

#### **MENTORING**

Student-led mentoring by trained peers, mentoring networking events

#### **WELLBEING GRANTS**

Students generate proposal ideas, students engage in selection process and student leadership of activities
