- Partnering for Impact
- Questions? Ideas? Want to know more?

# Financial Inclusion?

# FIAP?

# FIAP nationally:

- *30 trailblazers*
- *Between them service 80% of the population*
- *580 auditable, informed actions committed to date*

# FIAP?

# The UNSW Sydney FIAF?

15% of domestic undergraduate students (and 14% of international students) reporting that they regularly go without food or necessities because they can't afford them.

26% of students reported regularly missing classes to attend paid employment

43% indicate that their work commitments adversely effect their performance at University

40% of students indicated that the work they undertake is unrelated to their studies and has little value except money

45% of regional students receive student income support

1 in 2 international students have expenses greater than their income

# Mandate

- Enhancing the supports that are available
- Enhancing **awareness** of the supports that are available

# Key Hardship Supports

Equity Scholarships

No Interest Loans

Non-repayable grants

Vouchers

Payment plans for fees

Care packs through ARC (Food/Hygiene/Baby)

Crisis Accommodation

Text book & educational materials scheme (next year)

Laptop library (next year)

# Leveraging partnerships

- Within the university
- Across the FIAP Community of Practice

**UNSW**  
SYDNEY

Australia's  
Global  
University
